## Gladness Comes

With a better understanding of the  
transient nature of the many phys-  
ical ills which vanish before proper ef-  
forts—gentle efforts—pleasant efforts—  
rightly directed. There is comfort in  
the knowledge that so many forms of  
sickness are not due to any actual dis-  
ease, but simply to a constipated con-  
dition of the system, which the pleasant  
family laxative, Syrup of Figs, prompt-  
ly removes. That is why it is the only  
remedy with millions of families, and is  
everywhere esteemed so highly by all  
who value good health. Its beneficial  
effects are due to the fact that it is the  
one remedy which promotes internal  
cleansliness, without debilitating the  
organs on which it acts. It is therefore  
all important, in order to get its bene-  
ficial effects, to note when you pur-  
chase, that you have the genuine article,  
which is manufactured by the California  
Fig Syrup Co. only, and sold by all re-  
putable druggists.

If in the enjoyment of good health,  
and the system is regular, then laxa-  
tives or other remedies are not needed.  
If afflicted with any actual disease, one  
may be commended to the most skillful  
physicians, but if in need of a laxative,  
then one should have the best, and with  
the well-informed everywhere, Syrup of  
Figs stands highest and is most largely  
used and gives most general satisfaction.
